ITM Skills
University

ITM Skills University

ITM Group of Institutions brings its 31 years leadership in higher education, skill development and employment generation under a single umbrella through the launch of ITM Skills University. Over the last 3 decades, ITM Group has grown into a multi-disciplinary, employment focused higher education brand, offering diverse skill and technology focused graduate and undergraduate programs. Our legacy started with ITM Business

School in 1991, and since then we have built some of Mumbai’s most iconic institutions- ITM Institute of Hotel Management, ITM Institute of Design and Media, ITM Institute of Health Sciences, ITM Executive Education and more. Over the last 15 years, ITM has emerged as one of India’s premier skill development institutions with ITM Skills Academy, having trained and placed over 2,80,000 people into the BFSI, Healthcare and retail sectors.

ITM Business School

ITM Business School, is the oldest and flagship institution, and ranked amongst the Top 20 b-schools in India, It offers full-time MBA ,B-tech and BBA programs. The institute is committed to providing a world-class management education and ensuring that the students

have access to excellent career opportunities. The programs are designed to empower students to achieve their career goals and aspirations with a Relevant Curriculum, Corporate Interface and Skill Development.

About the Program
